

YOUR CALL CAN DEFEAT SENATE BILL S.4136

There is a dangerous bill that can be used to target Muslim and non-Muslim non-profits as well as kill dissenting voices, especially in regard to Palestine and other areas where the United States has a vested interest in maintaining the status-quo.

We need to defeat this bill in the Senate. Call your Senators. Scan the QR code below and your phone will receive a call which will connect you to both Senators in turn. Please follow the talking points below:

If a staffer answers the phone, ask for their name so you can follow up.

"I am a constituent from <Your town & State>. I am asking the Senator to vote NO on S.4136; a bill to amend the Internal Revenue Code to terminate the tax-exempt status of terrorist supporting organizations. The bill has the potential of being abused. I strongly oppose the determination criteria that have been proposed, and it must be defeated"
